

# Troop 188 Wreath Sale Fundraiser

Sales begin November 7<sup>th</sup> through November 23<sup>rd</sup> with orders having to be turned in on Wednesday Nov.23<sup>rd</sup>.

- At the scout meeting on Monday November 7<sup>th</sup> each scout will be given a packet to include an ordering form and some photos and pricing of the items we are selling. If you were not at the meeting and wish to sell contact me.
- Made in Iowa (Belle Plaine) and they have been in business for over 130 years.
- High quality wreaths made of Canadian Balsam and hand made with pine cones and ribbon for decoration.
- Payment must be collected at time of sale.
- Checks made out to Troop 188.
- Please wear Class A while selling.
- Wreaths will be delivered to customers on the weekend of December 3<sup>rd</sup>.
- There is the Boone camp out that same weekend but due to this being a holiday item we have to get them disbursed as quickly as possible. Delivery on Sunday December 4<sup>th</sup> would be ideal.
- Each item you sell will bring a significant amount of money back to the troop. PLC decided to move forth with a variety of fundraisers including this one as there is a need for the money.
- Many of the items will bring a 50% profit to the troop.
- For example, our cost on a 24" wreath is \$7.37 and we are selling them for \$14.
- 8.5 x 11" posters can be created and hung at work. Dennis Powers will scan the poster and send it out to everyone.
- Churches may be a source for selling.
- The quality of the product will sell itself in following years should we do this again.
- Good luck with sales!
- We will need to travel to Belle Plaine on Dec. 2<sup>nd</sup> to pick up the wreaths and I think my husband can do that in the afternoon so I believe we are covered there.
- Should there be any questions my name is Kim Geren and more than likely the wreaths will be at our home for pick up. We live at 1008 SE Chaparal Dr. Home phone of 515-964-5723.
